MO2 PROPERTIES

Deal Status Report — October 21, 2026

Week of October 21, 2026 • Prepared by Grant Sapkin • For Kenny & Michael Motew

SCREENED — ACTIVE UNDERWRITING — 5 DEALS

343 W Erie St — River North — TOP SCREEN — NUMBERS TODAY

Stage: Screened | Value: $12.45M | Counterparty: Dominic Soltero

Headline: The largest active screen in the book at $12.45M. River North look sourced through Dominic Soltero; the offering memorandum came in (10/15) and the back-of-envelope ran (10/19). Grant and Andrew review the initial numbers this morning — that read-out is the gate on whether this earns a deeper underwrite. Early call: investigate.

TASK	STATUS	NOTES
Review initial numbers with Andrew	● In Progress	Due today — gates whether the top screen moves to a full underwrite.

Recently completed: ✓ Got offering memorandum from Dominic, sent to Andrew (10/15) ✓ Ran back-of-envelope template (10/19)

10-22 W Erie St — River North — NUMBERS TODAY

Stage: Screened | Value: $6.3M | Counterparty: Malek Abdulsamad

Headline: River North screen through Malek. After the first-pass underwrite, the back-of-envelope template was re-run (10/19); Grant and Andrew review the refreshed numbers this morning to decide whether to push into a deeper underwrite. Investigate.

TASK	STATUS	NOTES
Review initial numbers with Andrew	● In Progress	Due today — decision on deeper underwrite follows.

Recently completed: ✓ Ran initial numbers (10/7) ✓ Ran back-of-envelope template (10/19)

1500 N Halsted St — Lincoln Park — ADVANCING

Stage: Screened | Value: $7.0M | 32 units | Counterparty: Tom Svoboda

Headline: 32-unit Lincoln Park asset from Tom Svoboda, advancing through the screen. Both pursue/pass scenarios were modeled and taken back to Tom (10/15), and Grant reviewed the numbers with Andrew (10/20). A real-sized asset in a core submarket — staying active pending the call on whether to tour. Investigate.

Recently completed: ✓ Reviewed numbers with Andrew (10/20) ✓ Ran both scenarios, circled back to Tom (10/15)

720 W Cornelia Ave — Lakeview — SCREENED

Stage: Screened | Value: $2.7M | 15 units | Counterparty: Jacob Price

Headline: 15-unit Lakeview deal through Jacob Price. Taxes were pulled from Sarnoff/Goldberg (10/14) and the numbers reviewed with Andrew (10/20). Smaller basis at $2.7M; stays in the active queue pending the call on a deeper underwrite. Investigate.

Recently completed: ✓ Reviewed numbers with Andrew (10/20) ✓ Pulled taxes from Sarnoff/Goldberg (10/14)

1509 W Fullerton Ave — Lincoln Park — NEW — INITIAL SCREEN

Stage: Screened | 10 units | Counterparty: Nick Stellas

Headline: New Lincoln Park screen sourced through Nick Stellas, just entered the pipeline this week. 10 units; pricing not yet set and first-pass numbers still to come. Flagged so the pipeline shape is visible — investigate once the offering memorandum and asking are in hand.

LOI — 0 DEALS

Nothing at this stage this week.

UNDER CONTRACT — 0 DEALS

Nothing at this stage this week.

HOLD — 3 DEALS

East Lincoln Park — 67-Unit Deconversion — WATCH — LARGEST DEAL

Stage: Hold | Value: ~$15.0M (our basis) | 67 units | Counterparty: Matt Neistat

Headline: Still our biggest active deal, on Hold with no movement this week. 67-unit Lincoln Park condo deconversion near DePaul / Wiener Circle, sourced through Matt, who advises the ownership group after an unsolicited offer. Last word (10/9) was the board pushing Matt as listing agent with an update to follow — the next move still sits with him and the owners on access and direction. Price talk stays wide: sellers float $18.5–$19.0M, Matt pegs ~$17.0M, we underwrite from ~$15.0M, with $1.5–$2.0M capex (~$15K/unit) for electrical and galvanized plumbing. Holding until there's a reason to re-engage.

3639 N Broadway — Wrigleyville Development Site — HOLD

Stage: Hold | Value: $5.0M | 24 units as-of-right | Counterparty: Steve Frishman

Headline: Quiet this week, still on Hold. $5M Wrigleyville development site; the base case is 24 units as-of-right (~$208K/door land basis, over our $150K/door ceiling). The lever is a 59-residential + 2-retail + 40-parking upzone that cuts land basis to ~$85K/door, comfortably under the ceiling. Gate: does the entitlement timeline and cost still clear a 7%+ yield on cost. Holding while we model both scenarios with Kenny & Michael — the rezone is the swing variable, carrying entitlement risk, timeline, and post-rezone reassessment exposure.

1312 W North Ave — Lincoln Park — HOLD

Stage: Hold | Value: $1.15M | Counterparty: Michael Rourke

Headline: On Hold behind a competing buyer. The scheduled 10/19 check-in with Mike is done; staying on Hold pending whether the competing buyer drops before we spend more time. Smallest deal on the board at $1.15M — low effort to keep warm.

Recently completed: ✓ Checked in with Mike on the competing deal (10/19)

PASSED THIS WEEK — 3 DEALS

1006 S Michigan Ave (South Loop, $6.0M, 50 units — Joe Braun) — last week's lead pursue; after a further look at the numbers (10/15) the 50-unit adaptive-reuse play didn't justify pushing to a tour. Passed.

830 S Michigan Ave (South Loop, $7.5M — Tom Svoboda) — new screen last week; ran the back-of-envelope (10/19) and it didn't clear the box. Passed.

956-58 N Winchester Ave (West Town, $5.5M, 16 units — Justin Ross) — ran initial numbers and got pricing guidance; economics didn't work at the ask. Passed.
